### PRESIDENT'S MESSAGE

JAYSON MUNRO

Welcome to the 166th Whittlesea Agricultural Show - We are thrilled to have you join us for one of Victoria's longest-running and most beloved community events. This year, we proudly celebrate the theme "Careers in Agriculture" — shining a spotlight on the diverse, innovative, and rewarding opportunities that exist across the agricultural sector. From agronomy to animal husbandry, ag-tech to agribusiness, agriculture is more than just farming — it's a future full of possibility.

Whether you're a student exploring career paths, a job seeker looking for a change, or simply curious about the industry, we invite you to discover how agriculture can grow your future. This incredible event wouldn't be possible without the dedication of our volunteers — the unsung heroes who give their time, energy, and passion to bring the show to life. From setting up stalls to coordinating competitions, greeting guests to managing logistics, their contribution is absolutely vital. We thank each and every volunteer for helping make the Whittlesea Show a true celebration of community spirit.

So explore, learn, connect, and enjoy everything the show has to offer — from livestock displays and machinery exhibits to food stalls, entertainment, and educational experiences. Welcome to the Whittlesea Agricultural Show — where tradition meets innovation, and the future of agriculture begins!

## HISTORY

The mother of Victorian Agricultural Societies, the Port Phillip Farmers' Society was founded in 1848, consisting of the parent body (later the National Agricultural Society) and finally the Royal Agricultural Society and three branches – Mornington, Bacchus Marsh and Gisborne. In 1856, the Mornington Farmers' Society was formed and the Society's first Show was held at Cranbourne in 1857. Two years later Mornington, Bacchus Marsh and Gisborne held Shows and it was during 1859 that the Whittlesea Agricultural Society had its beginnings on a site near the Whittlesea Railway Station. Here the Whittlesea Fair was held on Tuesday, 3rd May. There were 40 members, who subscribed approximately 1 pound each. Through lack of interest and support from the branches, the Port Phillip Farmers' Society disbanded, the last Show being in 1867, and all the Show's assets were handed over to trustees for the new National Agricultural Society in 1870. The Mornington Farmers' Society continued to progress. Eventually in 1918, the Society became known as the Berwick and District Agricultural and Horticultural Society. From this snippet of history it can be seen that the Whittlesea Agricultural Society in its own right has the proud distinction of being one of the oldest functioning Agricultural Societies in Victoria.
