PRESIDENT'S MESSAGE

The theme for the 167th year of the Whittlesea Show is "The Greatest Show". As President, I get the honour of choosing the theme and you would have to say for a show that has grown from humble beginnings of a one day fair in May to a two day event with over 25,000 attendees we certainly have "The Greatest Show".

This year we have put our thinking caps on to come up with some new categories in Homecrafts, Sheep, Poultry, Education & more. We have a dedicated Stud Cattle section and new entertainment to keep everyone on their toes. The fan favourites of the Bilby Boot Throw, Fun Dog Competition and Fun & Games returns. We give heartfelt thanks to all our sponsors, stall holders, volunteers and entertainers as well as the exhibitors who trust us with their fabulous entries.

It's all the ingredients to make a wonderful experience for those that live on the edge of Melbourne so they can really experience some agriculture close to home. We hope you enjoy everything we have to offer for this upcoming show and look forward to greeting you all.

HISTORY

The mother of Victorian Agricultural Societies, the Port Phillip Farmers' Society was founded in 1848, consisting of the parent body (later the National Agricultural Society) and finally the Royal Agricultural Society and three branches – Mornington, Bacchus Marsh and Gisborne. In 1856, the Mornington Farmers' Society was formed and the Society's first Show was held at Cranbourne in 1857. Two years later Mornington, Bacchus Marsh and Gisborne held Shows and it was during 1859 that the Whittlesea Agricultural Society had its beginnings on a site near the Whittlesea Railway Station. Here the Whittlesea Fair was held on Tuesday, 3rd May. There were 40 members, who subscribed approximately 1 pound each. Through lack of interest and support from the branches, the Port Phillip Farmers' Society disbanded, the last Show being in 1867, and all the Show's assets were handed over to trustees for the new National Agricultural Society in 1870. The Mornington Farmers' Society continued to progress. Eventually in 1918, the Society became known as the Berwick and District Agricultural and Horticultural Society. From this snippet of history it can be seen that the Whittlesea Agricultural Society in its own right has the proud distinction of being one of the oldest functioning Agricultural Societies in Victoria.
